## **SANCTUARY AIR CONDITIONING REPLACEMENT**

The three main units for the sanctuary have served well for more than two decades. They are the original units installed when the sanctuary was built. But they are now failing and replacements have been ordered.

The \$37,000 cost is a necessary expenditure. If you would like to contribute to that, over and above your regular giving, we would welcome that assistance. Be sure to mark your donation: "for AC units."

We would like to thank those who have already contributed. As of August 9, we have received \$1,135.00
