### CONGREGATIONAL MEETING

has been called for Sunday morning, Feb. 22

This will be for the purpose of explaining the 2009 church budget to the membership. The session has adopted the budget after many hours of working jointly with the diaconate. All the elders and deacons have given their unanimous endorsement to this budget.

Abbreviated copies of the budget are available to everyone on tables in the narthex today. The budget reflects the challenges we face with reduced giving here at LOPC (as in all churches and charities nationally) because of the current economic crisis.

Your officers have worked very hard to prepare a budget that is realistic and balanced, as well as based on faith in a God of unlimited resources who promises to meet all of our needs, both individually and congregationally.

Please plan on remaining after worship on the 22<sup>nd</sup> to give careful attention to this, to receive answers to your questions, and to join together in prayer that God would supply all of our needs to conduct His kingdom work here.
