

**SANCTUARY
AIR CONDITIONING
REPLACEMENT**

The three main units for the sanctuary have served well for more than two decades. They are the original units installed when the sanctuary was built. But they are now failing and replacements have been ordered.

The \$37,000 cost is a necessary expenditure. If you would like to contribute to that, over and above your regular giving, we would welcome that assistance. Be sure to mark your donation: "for AC units."

Every year, pastors, elders, teachers, and ministry leaders from all the Presbyterian churches in Ukraine gather for a week-long leadership conference. Pastor Roff has been invited to be the guest speaker for this year's conference at the end of October. He will present a series of studies on the Christian life entitled, "The Beatitudes; It's What You Become, Not What You Do."

Ukraine has been hurt even more than the US by the current economic crisis. There are no funds to pay for Pastor Roff's travel and lodging. He has agreed to go at his own expense. Tonight's offering will help recoup some of the \$1500 it will require for him to do this.
